

## LIST OF FORMULAS

1. Accuracy Formula.....	81
2. Attractiveness Formula .....	82
3. ISO/IEC-9126 Compliance Formula .....	83
4. Interoperability Formula .....	84
5. Learnability Formula .....	85
6. Operability Formula.....	86
7. Resource Utilization Formula .....	87
8. Time Behavior Formula.....	88
9. Understandability Formula .....	89
10. Availability Formula .....	91
11. Confidentiality Formula.....	92
12. Integrity Formula .....	93
13. Reliability Sensor Formula .....	94
14. Resilience Formula .....	95
15. Safety Formula.....	96
16. Heterogeneity Formula .....	97
17. Modularity Formula .....	97
18. Network Connectivity Formula .....	98

19. ISO/IEC-30141 Compliance Formula .....	99
20. Data Characteristics Formula.....	100
21. Real-Time Capability Formula .....	101
